AMOR MINISTRIES INTERNATIONAL

Amor Ministries International (AMI) is primarily a prophetic or, for a more modern word, consultant ministry with a strong concentration on evangelism. Our primary objective is to clearly hear the direction of our Guide, the Holy Spirit, and obediently go to whomever, wherever and whenever He leads us to deliver the message He gives us. The purpose of this prophetic ministry is to help encourage, correct, or confirm the next steps that the Lord has for certain individuals, groups or places throughout the world. To some people or places, the Lord will send us as one-time messengers. With others, we will have ongoing ministry connections.

About Us

Amor Ministries International grew out of the ministry work of Greig Detering, AMI's Global Missions Leader, which began in 2001 in response to a series of visions that sent him on a journey to a small town in El Salvador. Prior to that, Greig had a 20-year career in telecom design, development and marketing using his electrical and biomedical engineering education. AMI officially launched in 2002 with the help of a founding group of board members who established it as a non-profit organization. Shortly after, AMI expanded its reach by adding Robert Johnson to the mission team. AMI has ministered in the United States and many places around the world including Central America, South America, Europe and Australia. The team has grown to include other gifted members across the globe. Since its founding in 2002, AMI has ministered in approximately 100 cities, preached God's word to some 200 fellowships and reached an estimated 20,000 persons. AMI's team has been blessed to see God work powerfully through its ministry efforts in miraculous ways.

Because of AMI's work, the first all city church service occurred and God displayed His pleasure with his sons and daughters in unity with several healing miracles of the sort we have not seen here before. **Church leaders from San Juan Opico, El Salvador**

Since your visit, the church has grown rapidly in souls and in knowledge. We are working much more intensely with cell groups, which is bringing tremendous results as you told us it would. I am now leading a consortium of leaders from about 18 different fellowships in this city. I give thanks to God for using you on your last visit to confirm that what I have now stepped into was indeed the Lord's will for me. **Head pastor in Paysandu, Uruguay.**

The Lord showed me guys in a dream, while I was ministering in Cuba, who would help our people cross over into ministry in the freedom in Christ and the power of the Holy Spirit. You were them. **Director of Patagonian Bible Institute and Christian Radio in Punta Arenas, Chile.**

HOW TO HELP

Most importantly, you can pray.

We are not only doing a job, but fighting a war. The weapons we use are spiritual, not carnal, as the battle is in the spirit. Our prayer partners provide essential support to this ministry.

We also need financial support.

We are battling in a material world where material resources are also needed. To support us-
